3. Treasurer's Report: The final report for FY 06 was reviewed by the Committee. Some line adjustments that were made due to the new accounting software being used were clarified by Kathy.

Donations made to the Open Gym and Tutoring Programs can be applied to the same lines in the FY 07 budget. The under spent salary line was a result of vacant positions during the year.

Revenue was up for the year by approximately \$1,200 over FY 05 due to increases in therapy income.

The FY 06 report for Astor Avenue was also reviewed.

4. Youth and Family Services Report: Four (3M/1F) cases were screened in June and eight (2M/6F) were screened in July. Cases assigned numbered nine (4M/5F) in June and four (1M/3F) in July. Currently the waiting list is 2-3 weeks.

The summer Open Gym program attracted 620 participants compared to 490 during last summer, which was very hot and dry. The largest age group that has participated over the past 11 summers was 8-10. The Appreciation Picnic was held 8/15/06; Bob and Kelly attended.
